## Youth Project Plants Hanging Baskets

Young people from at All Saints Youth Project Thursday's after school drop-in lend a hand planting hanging baskets under the watchful eye of Ken Whittaker, local horticulturalist. The activity is part of an on-going involvement with planting at Kings Heath Village Square and the Floral Trail later in the year. The baskets were then hung around All Saints Centre by Phil (Oz) Osman.

**All Saints Youth Project Christmas Concert**

On 14<sup>th</sup> December the hall at All Saints Centre was full of excited young people and adults. This was the first concert to celebrate Christmas with and by our Inclusion Group (young people with disabilities and behaviour issues and mainstream young people enjoying time together every Tuesday and Thursday evening).

The audience consisted of parents, young people from all parts of the project, staff, management committee members, sponsors and patrons.

The concert involved 20 young people singing and dancing. One young man played the guitar for the first time in front of an audience. There was also an alternative nativity play with music, dance and song. The concert was introduced by The Rev David Warbrick and compered by Pat Buckley, the Inclusion Group coordinator.

After the concert everyone enjoyed a buffet and then Father Christmas visited with gifts for all the young people.

Pat said 'it was a great evening and shows how our young people have developed their confidence over the year. We hope to make it bigger and better next year and involve more young people from across the project'.

The Youth Project would like to thank the parent's charity group Inclusion 4 U who funded the food and presents.
