Village Square Success !

All Saints Community Development Company has won a £429,607 grant which, together with funding from Birmingham City Council, will enable the creation of Kings Heath Village Square.

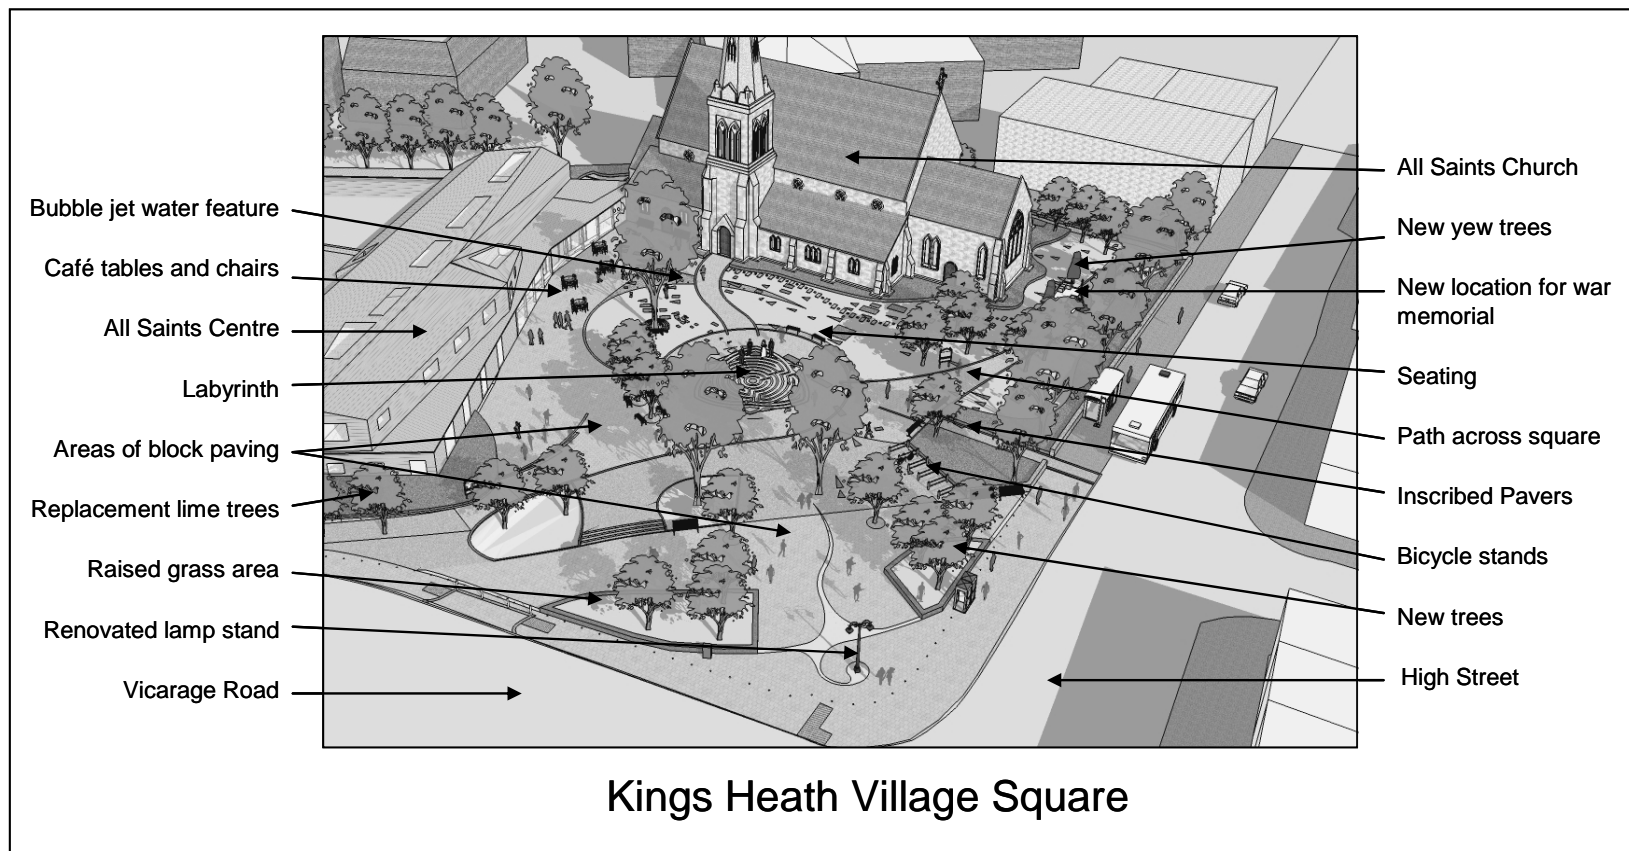

The picture shows Wendy Jenkins (Groundwork UK) presenting the cheque to Carl Hodgkiss (ASDC) on the site of the existing church yard which will be transformed into a vibrant village square with Community Spaces funding. See over..

Brian Miles, ASCDC Director said "After many months of hard work with our partners and the local community it's excellent news that we have secured Community Spaces Flagship funding for Kings Heath Village Square. Soon we will be going out to competitive tender for the construction contract and in parallel will be involving schools and other community groups to help create art work for the labyrinth feature of the square."

Stan Hems, ASCD Director and Chair of Kings Heath Business Association, said: "We are absolutely over the moon. This is a bright new chapter for Kings Heath and will help lead the area out of the recession."

Community Building Contract Placed

A contract has been placed with Trendgrey for the construction of the second stage of All Saints Community Building. It includes a multi purpose hall, meeting rooms and accommodation specifically designed for All Saints Older People's Centre. Work is due to start later this month with completion scheduled for January 2011.

"It is good to be continuing with our vision for All Saints Centre" said Dr. Mark Taylor Chair of the All Saints Community Development Company.

More Good News !

The All Saints Healthy Living Project has been awarded £1,000 from the Sports Relief Fund to extend their programme of gentle exercise, creative art music and dance; especially the popular Belly Dancing. The group also recently received a donation from the new Kings Heath Asda store. All older people are welcome to join the group on Wednesdays after Lunch Club in All Saints Church Hall.
