VILLAGE SQUARE SCOOPS THIRD MAJOR AWARD

All Saints Community Centre and Kings Heath village square have today scooped yet another major award, the third since the square was revamped and re-opened just two years ago. Today's award was from the Heart of England RHS Its Your Neighbourhood campaign and the centre and square, which is at the heart of Kings Heath received the highest possible accolade – a Level 5 Outstanding award.

The Awards recognise communities that are taking responsibility and action to regenerate their local environment and each entry is presented with an award of either establishing, improving, developing, thriving or outstanding. "We are so pleased to have been given the highest possible award from, the RHS Heart of England this year. It couldn't have come at a better time either, as next month we are celebrating the Village Square's second birthday." **Continued over..**

Major Award continued

"The team at All Saints Centre and Village Square have worked tirelessly to create a clean, refreshing and beautiful space at the heart of Kings Heath and this award just recognises all of their hard work and enthusiasm " explains Kerri Murray, All Saints Centre Co-ordinator.

As a very apt follow up to this award, Kings Heath Village Square will be hosting a range of activities and events on Saturday 19, October to mark its second birthday – including talks, tours, treasure trails for kids and even a walk of the All Saints labyrinth.

Kate Smart, Town Centre Manager for Kings Heath is very proud of this award winning space:

"The Kings Heath Village Square was redeveloped and subsequently opened as a multi-purpose public space for community groups and commercial organisations in 2011. It is a flagship destination for our town and over the past two years has really helped to put us back on the map.

"The square plays host to a wide variety of activities and events including EspiritoBrum – the Brazilian cultural exchange festival and Brum Yum Yum – the foodies haven for street food.

It really gives the community something to shout about, but also brings in considerable numbers of visitors from far and wide."

Jubilee Clubs at All Saints Centre

The Jubilee Club provides fun, companionship and a wide range of interesting activities for people of fifty-five and over. We have been meeting every Friday since January in All Saints Centre and have built up a core of regular members over these months. Every week offers something lively and new. In July the Jubilee Club joined forces with local

students from Bishop Challoner's School for an Amateur Photography project and we look forward to working again with these young people. In the near future the group will be heading for the city to visit the new Birmingham Library. There are now two Jubilee groups running: the Wednesday Jubilee Club (1.30 pm - 2.30) and the original Friday Jubilee Club (11.30 am – 2.30 pm). There are a limited number of places still available and if you would like to join us you will be made very welcome.
