Crafternoons

We had an awesome first session last week (at the time of writing) on the theme of 'foundations'. We constructed an enormous grape tower with the help of cocktail sticks, noting that the stronger the foundation, the taller and braver you can build. I shared that as a Christian, God is my solid foundation. Then we drew self-portraits and talked about what makes us 'us'. We were very proud of our tower!

Jelly Babies and Birmingham Children's Hospital

All Saints children's groups have developed a brand new and very exciting link with Birmingham Children's Hospital. It began at our annual Christingle Service in January when we wrote letters (which included drawing many pictures!) to poorly children, attached them to bags of Jelly Babies and then they were delivered to the Oncology Unit at the hospital. They meant a great deal to those who received them, some of whom intend to write back to our children! We have the chance to develop this link by knitting and looming hats, twiddle-muffs and teddies for the children and teens there.
