

What our clients say about us

“I live on my own. I’ve got dementia and had it quite some time. I don’t know what I’d do with myself if I didn’t come to the Robin Centre. I am moving house but I must come to the centre; I rely on it being here.” *Iris*

“My wife drops me off. She can have a bit of life herself. I enjoy coming here. We have laughs together.” *Gordon*

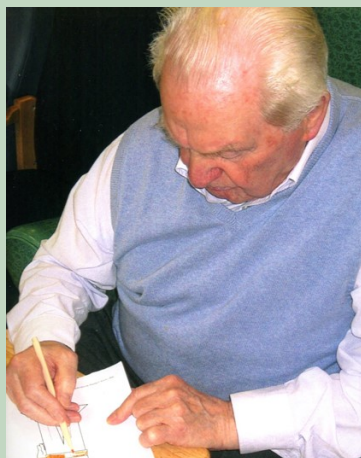

“The staff here go beyond the call of duty. It really is a lovely place.”

“A happy place where elderly people meet and have conversations; make friends.”

Betty

“I am glad to come here and see the same people and have a laugh. The staff are good.”

“We have quizzes, games like dominoes and quoits, karaoke, films, entertainers and exercise.”
