February 2011

All Saints Centre

Not long to go now! The roof is finished, the scaffolding has gone and the inside is nearly complete. The next phase of our community building will be handed over at the end of February and the All Saints Older People's Centre moves into its new home in March. The building includes a new multi-purpose hall, café, welcome space and offices. All Saints Centre plans to open the new community building in May, when the current users will move across to this long awaited centre. The hall will be available on Saturdays for party bookings, family events and bazaars etc. For more information email: ascenquiries@allsaintscentrehk.co.uk

All Saints Older Peoples Day Centre

Did you know that All Saints Older Peoples Centre was set up to support older people who live at home, either on their own or with family members, so that they can continue to live in the community, as independently as possible?

The centre also aims to promote companionship, to prevent loneliness and the feeling of isolation as well as providing a range of activities appropriate to the service user's interests and capabilities. A hot lunch and snacks are also provided.

The majority of service users are referred by Birmingham Social Services although currently we have a few places that are

available for self referral. The centre can offer a range of attendance patterns, with people attending for half a day once a week or fortnight, through to a day a week or more depending on their needs.

For more information please contact Sue Pearson Tel number 0121 483 4400

A New Heart for Kings Heath

A start should be made soon on the new village square. Due to start last Autumn, construction has been delayed by protracted timescales for transferring ownership of the old highways land. The new square will provide much needed open

space at the heart of Kings Heath and incorporates a labyrinth as its centrepiece.

Youth Project - Cuts to evening sessions

All Saints youth project has been running two evening sessions which are particularly targeted at young people with learning disabilities for some years. These have involved a programme of activities such as: Art, Karaoke, Sport, Craft, Cooking, Team Games, Independent Skills, General Discussions, Free Play and Youth Achievement Awards.

These sessions have been running for over 9 years and some members have been coming for 7 years, and the sessions have benefited many young people over this time.

Due to continued funding problems the two sessions have now been cut to one session that will now run only on a Tuesday night.

Fundraising for the project is

continuing but is difficult in the present economic climate. If anyone has any suggestions of how to raise the money we would be pleased to hear them and if anyone would like to join our regular giving scheme please get in touch. Call the Youth Project on 0121 441 1827.

A VALENTINE'S PARTY

everyone welcome

Saturday February 12th

7.30pm
