New Community Building - Progress is on time

The two pictures below show construction of the first stage of All Saints Community Building. Started in October, the photograph shows progress after 3 months and the artist's impression the view from the High

Street when work is completed in June. The new building will accommodate an Elderly Day Facility during the week and will be available at weekends for other uses such as exhibitions and a community café.

Feet First Foot Care, Footwear and Therapies At The All Saints Centre

All Saints Centre welcomes Phil & Amanda Alden of Feet First. The practice and shop opened in July and offers high quality chiropody/podiatry treatments in a state of the art; professional clinical setting. The footwear department has a range of standard and wide fitting, comfort footwear including slippers.

Amanda, who is the senior Podiatrist (Chiropodist) studied for her Bachelor of Science (Honours) degree at Mathew Boulton College (University of Aston) in Birmingham. She has also worked for many years within the NHS podiatry service in the West Midlands. So if you are suffering from painful feet or are looking for quality footwear call in Tuesday to

Friday 9.30am – 5pm & Saturdays
9.30am – 1pm

Tel: 0121 444 0990 for
appointments

New Elderly Day Facility

The new Elderly Day Facility will take older people who currently attend Chamberlain Day Centre in Yew Tree Road.

Chamberlain House is closing and All Saints will be running the new facility. Chair of the Older peoples working party Des Workman said " This is an exciting time, All Saints Youth Project is recognised throughout the City as a beacon of good practice and with the opening of our new older people's day facility, we hope to emulate and copy their success by offering an excellent range of day opportunities for older people"

Day Facility Staff Required

A manager and two permanent staff will be employed. A job description and person specification is currently being drawn up and any one interested in these positions should contact us on 443 4421 The manager will need to hold an NVQ 4 level qualification and the care staff NVQ level 2.

1. All Saints Medical Centre and Family Centre
2. Community Building
3. Village Square
4. Reordering of church interior
5. Potential extension

Here's how you can help with the new developments

By giving just 30p per day you can help us:

- Create the new village square – a space to enjoy at the heart of Kings Heath
 - Complete our community hall for use by the whole community
- You can play your part by joining Kings Heath 1000; 1000 people giving 30p for 1000 days will raise £375,000.

And what's 30p worth?

Well, less than a chocolate bar or a cup of tea. But to the community, 30p per day means so much more.

To make your contribution, complete a Kings Heath 1000 form at the Farmers Market, contact us on 443 4421 or email info@allsaintscentreh.co.uk
