“The village will be a lot more welcoming, a beautiful heart”

“Pride, belonging to a community that can be bothered”

“It will bring people in and be good for business”

“A superb opportunity for all sorts of occasions and events”

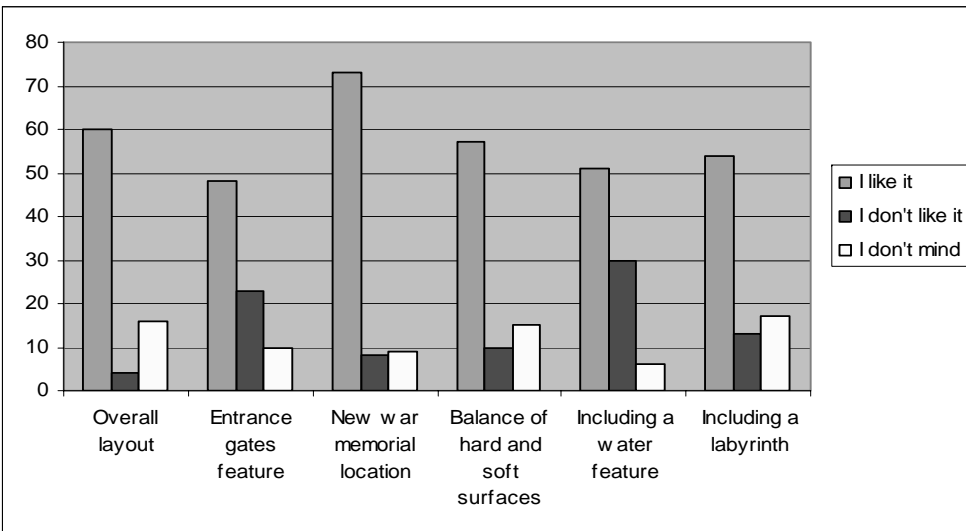

“A sense of community on a very busy High Street”

Youth Achievement Awards

All Saints Youth Project will be awarding 15 members with their Youth Achievement award at the Youth Project 10th Anniversary celebrations on the 1st of October at Highbury Hall.

These awards are accredited by ASDAN, a nationally recognised awarding body. The awards offer flexible, activity-based programmes for young people aged 14 to adult and the young people have to complete different challenges and complete a portfolio of work they have done.

The higher level awards involve organising and leadership roles. The awards are at different levels, and 15 certificates are to be awarded, 12 bronze awards, 2 silver awards and 1 platinum award. Pictured are three of the young people with their portfolios.
