Issue 20 September 2010

All Saints Centre

On Friday 30th July All Saints Older Peoples' Centre celebrated their first anniversary. Fifty people, including Service Users and their carers, staff, volunteers and guests gathered to toast the centres successful first year. Sue Pearson, Day Centre Manager, highlighted the main achievements of the year, whilst Heather Holmes from Birmingham City Council, congratulated the centre on its' high standard of care and on being an example of good practice within the day care sector. The speeches were followed by a buffet, karaoke and a raffle which raised £150.

Community Building Update

As our picture shows, the construction of the next stage of All Saints community building is well underway with the steel framework partly erected on 25th August. The building will become the permanent home for All Saints Older People's Centre as well as providing a new multi-purpose hall for community use. Construction is being funded by grants from the Big Lottery and Social Enterprise Investment Fund and a combined loan/grant from Futurebuilders. The facility is due to open in the New Year.

Centre's Caretaking

All Saints welcomes a new member of the caretaking team, Mushtaq Ahmad (left) who is shown outside the Centre with team leader Mick Farbrother

New Dental Clinic at All Saints

All Saints are pleased to welcome 'The All Saints Dental Clinic'. Located on the 1st floor of All Saints Centre, the Clinic is run by a husband and wife duo Dr Ahmed & Huma Farooq who offer independent dentistry at NHS comparable prices. Services offered include general dentistry, bridges, veneers and crown work. Currently as an opening offer there are free examinations and discounts on various treatments for all new patients. We wish them every success for the future and look forward to working with them. The clinic can be contacted on 0121 444 0496

All Saints Youth Project

Fun and Challenge

14 young people and 5 staff from the All Saints Youth Project spent 3 days and two nights during the Easter holidays at Malvern Hills Outdoor Centre. The young people had a fabulous time and really pushed themselves in all the activities which were mainly outdoors due to the wonderful weather. Challenges included low and high ropes, climbing wall, podiums, orienteering, archery, a night walk and a bonfire evening. They managed to do all of this despite trying to stay awake all night! Accommodation was in shared dormitories which the young people had to clean before they left. Fortunately no-one was homesick as everybody was having too much fun and they all loved their adventure and are asking when the next one will be. This was a really successful trip; the young people had many

experiences and memories to share and the staff went home for a well deserved break. The Project is especially grateful to the Egan family of Kings Norton Coaches who provided transport free of charge as a 'gift' to celebrate the Project's 10th anniversary.

People's Pavers take a step closer

We are pleased to report that many people have sponsored a Paver for the new Village Square which is scheduled to start construction in November. People wishing to sponsor a Paver should obtain an application form at the Farmer's Market, by contacting Vicki on 0121 443 4421 or via www.peoplespavers.com
