Village Square Community Planting

On Friday, 29th July, a group of Brownies and Guides and their leaders came to plant a tree in the in a soft landscaped area of the new Kings Heath Village Square for which they donated the funds they had raised. Some of All Saints members also joined in, and in a very short time a whole bed of shrubs had been planted out.

Then on Friday 22nd July, pupils from Fox Hollies School also helped plant some shrubs. Vivien Thickett, of ASCDC, said "I was amazed by the hard work and enthusiasm shown by the young people on both occasions. They really got into the spirit of the event and made great progress.

All Saints Youth Project's Holiday Scheme

"Our picture shows young people from All Saints Youth Project during their day trip to Droitwich Lido Park. All Saints ran a 3 week holiday programme again this year as part of the summer Splashtastic scheme. It was funded by the Highbury and Village clusters, the University

of the First Age and Inclusion for You. Up to 50 young people attended All Saints each week and activities included arts, crafts, games, cooking and trips. Over half the young people had learning disabilities. They were supported by paid staff, and adult and young volunteers."

Village Square Community Plantingcontinued

I hope they will be proud to view their efforts in the years to come as the planting beds and new trees flourish and create a beautiful feature for the community." Phil Ozman, of Clean'n'Green, helped co-ordinate the events, and expert guidance was supplied by Matt Harris of RMF, the plant suppliers. There will be

another event in the autumn, where local school children will assist in planting hundreds of spring bulbs.

Kings Heath Village Square should be completed in October. Full details in October's Outlook
