Capoeira

This is a new Group to ASC which started on Tuesday 29th April 8.30pm -

10pm The art "Capoeira" is an Afro-Brazilian martial art, involving elements of play, dance, music and fight. Essentially it is a game or "jogo" between two practitioners of the art or "Capoeiristas"; this "jogo" is played within a circle of other "Capoeiristas" and sometimes additional spectators. At the base of the circle is a percussion orchestra or "bateria" which contains a mixture of Afro-Brazilian instruments. Live music is played and the whole circle is engaged in song, accompanied by synchronised clapping. The songs are simple question and answer repetitions in Brazilian Portuguese, which are lead by one of the musicians who sings alternating verses whilst the rest of the group repeats the chorus.

New Youth Worker

You may have noticed that we have a new village square youth worker on the square. Bhadar Chopra (known as Bard) has joined the youth project team to work with young people on the square, providing activities,

a friendly face for a chat and help and support. Bard is an very experienced and qualified detached and support youth worker who has worked for the last 9 years in Sandwell and Tipton, both in local authority and community settings. Previously a mechanic he changed his career to work with young people which he has done in several roles including residential work. He also ran his own business as a DJ. Bard said he was really enjoying the work as he loved meeting people and would hope to be able to extend his hours with All Saints or elsewhere in the area. Outside work he enjoys socialising and going to the Gym.

Another great addition to the quality team at All Saints Youth Project.

Olympic Cycling Hero Tommy Godwin to be Honoured at Big Family Fun Day on Sunday 18 May

Double Olympic cycling medallist Tommy Godwin who lived and owned a cycling shop on King's Heath's Silver Street is to be honoured with a pavement star on the Walk of Fame.

Tommy was a double Bronze medallist at the 1948 London Olympics before becoming Britain's first paid national cycling coach in 1964. He carried the Olympic torch through Solihull and attended the London games in 2012 before sadly dying in November that year.

Come for a great family fun day out centred on Fletchers in York Road between 12 noon and 5 p.m. on Sunday 18 May as we present his daughter with a replica star. View an exhibition of his life and a collection of vintage cycles and try and break one of Tommy's speed records on a cycling machine. Join a host of local and national cyclists in honouring a true sporting legend.
