Kings Heath Winter Fest

On Saturday 15th of November Kings Heath BID welcomed in the Winter with the 2014 Winter Fest. Following on from the hugely successful Street Festival in York Road in September, this family event saw all that's great about Kings Heath come together for a celebration culminating in the Christmas street lights being switched on. Local businesses were showcased on market stalls including pop-up food and drink stalls. Our very own Brum Yum Yum brought 10 of their clan to tempt the most discerning taste buds and there was a mini fair-ground for the little members of our community. The Winter Fest was a resounding success with the Village Square full of people throughout the event. The highest footfall being when Pudsey Bear took time out from his busy Children in Need schedule to switch on the lights. The wonderful buzz from the event was reflected in lots of chatter and pictures on social media. The BID (Business Improvement District) would like to thank everyone who came to the event and a special thanks also goes to Kerri and Mick from All Saints for their support in helping to make the event such a huge success.
