## Britain in Bloom

The Kings Heath Village Square was awarded Level 5 Outstanding in the Heart of England Britain in Bloom Awards that took place at Hogarts in Dorridge on 29th September. This was a fantastic result and is a tribute to the volunteer gardeners whose enthusiasm, dedication and talent has resulted in such a beautiful location and deserved of such recognition. The Kings Heath Village Square Gardeners' meet each Wednesday morning at 10.00 am and new volunteers are always welcome. The Young People taking part in the All Saints Summer Scheme embraced the opportunity of regenerating an area close to the Young People's Centre successfully growing vegetables and flowers and creating a vibrant and welcoming seating area.

The photograph is of Darren Share, Marilyn Cocks, Pat Buckley and Antoinette Hasson collecting the Outstanding Award certificate.

## CircusMASH

An advance guard of circus crack troops has already crossed the border into Kings Heath and set up a forward operating base in a disused building. Having established themselves in the area they launched Phase One of the master plan; Pop Up The Big Top. All Saints Centre's old church hall has been transformed into a bright and welcoming space for all the community. Spiders were evicted, paint was liberally applied. But that was just the start, now it's time for this circus to go airborne! Phase Two; Operation Circus, will see this team take to the skies, teaching young and old, alike to achieve the impossible and soar through the air. Achieving this requires unlimited patience, a love of circus and teaching, and a top class aerial rigging system. CircusMASH needs YOUR help to raise the £15,000 needed for the kit. We've launched a crowd funding campaign and we need your help! Support the cause and reap the rewards! We're talking more than nice

fuzzy feelings, there are amazing rewards on offer for supporters. From lessons on the equipment you helped to fund, to days for your whole family, office, or school, the Cirque Sargents are ready and willing to put you through your paces! All funds raised will go towards the purchase of a safe and secure rigging system that will enable CircusMASH to support people learning and developing in the air. For more information: [www.circusmash.co.uk](http://www.circusmash.co.uk) and click straight on through to our Crowdfunding campaign! Join in the fun on facebook too at CircusMASH UK. Lots of prizes are being given away! Join us! Sign up now to support YOUR local circus!

### **Sparkhill Foodbank**

*Can you help us out with an hour or two of your time in December?* We are distributing around a tonne of food each week at the moment and this will only increase as we approach winter and the Christmas season. 100% of our food has been donated by the local community so we are already starting to plan for our Christmas collection. This year we are collecting at the following two stores: Tesco Superstore Hall Green and Tesco Extra Solihull We are looking for volunteers to help us on Friday 4<sup>th</sup> and Saturday 5<sup>th</sup> December 9.30am-5pm to help us hand out our shopping lists at the store entrance during the events, chat to customers, receive donations of food from shoppers and help move the collected food to the foodbank car. We don't rattle tins and ask for money. The event is fun and enjoyable-some shoppers at our last collection donated two whole trolleys full of food! Please let Lisa know if you are interested in helping out and the store you wish to help out at, your chosen shift 9.30-11am; 11am-1pm; 1-3pm and 3-5pm, and leave a contact telephone number. We are also in need of a volunteer driver to drive the foodbank car each week on two mornings to collect donated food! If you know of anyone who is interested in making a regular commitment to do some volunteer driving for us, please do contact us so we can have more of a chat! 0121 771 0464 or [liisa.w@narthex.org.uk](mailto:liisa.w@narthex.org.uk)
