Tech Know

Do you struggle with new technology?
Would you like to get the most out of your
mobile / computer / tablet ?

We run an intergenerational I.T. project aimed at
older people

Tech Know is very informal and runs like a drop-in surgery rather than a taught course with a syllabus. Being a one-to-one service means it can focus on the needs and goals of the customer rather than running like a generic course. It runs on Mondays from 4.30pm to 6pm with the assistance of our young leaders offering
