New to All Saints Centre is Rourke's Pies

A local independent pie/bake shop, with individually crafted handmade pies has moved in to the kitchen & café space. He produces a variety of pies, cakes and good coffee.

'My name is Gary Rourke. I thought it was about time to put a face to Rourke's and to tell you about our journey! Like many people I lost my job due to Covid, without furlough or redundancy. With necessity being the mother of invention, I started to make pies in our home kitchen and selling them locally, while my fiancé Leanne looked after branding and marketing.

Word spread and we were taking more & more orders. We outgrew our home kitchen, so managed to find this commercial kitchen to cook from at All Saints in Kings Heath. It was all happening very fast! We progressed to selling at local farmers markets, and were so amazed that we kept selling out each time. Every market baking more and more.

We have a young family, so would never have been able to give

up that security to run my own business...but lockdown gave me the chance to pursue my passion for cooking and completely change my path.

Rourke's has been open three weeks now, and I'd like to thank all of our customers & the Kings Heath community for their support.

Some activities are currently suspended. Please check with group leaders

Dear Friends and Neighbours,

We are very pleased to be holding a **Holy Communion Service each Sunday at 10am** at All Saints. We have been overjoyed to see old friends and to meet newcomers in recent weeks. We still can't sing and everyone needs to wear a mask.

We are acutely aware that many cannot or prefer not to gather in any numbers for the time being and so, thanks to our able musicians, we still provide the same order of service on line, on our website. It allows anyone at home, alone or in company, to pray through the service and to hear the music and readings being offered.

As the service unfolds in Church, we pause regularly to remember those who are praying at home and hold them in our prayers.

All Saints Youth Project

Tech-Know is coming back! Tech Know

Here at All Saints, our young people are keen to lend their knowledge and support to the generations that preceded them. TECH-KNOW is our intergenerational technology support group for older people run by young people. Our young volunteers use their expertise in all things digital to assist others with their technological challenges.

It's very informal and runs like a drop-in surgery rather than a taught course with a syllabus. Being a one-to-one service means it can focus on the needs and goals of the customer rather than running like a generic course.

The programme will run
EVERY MONDAY from 17:00 until 18:30 with Abdull and his team.

All social distanced and covid secure
Keep your eyes peeled (and emails logged in!) for our new launch date coming soon!

Back by Popular Demand!!! The ASYP

Big Christmas Word Quiz 2020

Our festive fundraising quiz was a winner last Christmas, so we are doing it again! A fun activity which can be easily shared with friends and family and will support the running costs of the All Saints Youth Project.

This year's quiz will be available electronically from early December on the ASYP website or direct from the email address below. We also plan to have some hard copies available in church during Advent.

Last year we raised over £500 and this year our ambitious target is £1,000!!

We will be asking that entries make a minimum donation of £3.00 *and that we all share the quiz as widely as possible using our email contacts.*

The wider we share the quiz; the more people will have an opportunity to support this wonderful work and raise funds for the charity.

Once again there is a prize for the winner (£30.00) and the runner up (£20.00).
