All Saints Church Stonework Repairs

The work is now complete and the scaffolding came down in time for our Easter Dawn service in the square.

Churchwarden, Chris Pearce did sterling work administrating the project.

All Saints is about £40,000 lighter.

We had been saving for work inside Church but had to do these essential safety repairs. We should not be downhearted, though. Every time we return to Kings Heath and see the spire from a distance, we can give thanks for those who have looked after this building for 160 years. We have done our little bit to ensure it's there to guide people home in the next century. If any neighbours would like to contribute to the tower works, visit our new website to donate or contact the Church office.

Farmers' Markets on Kings Heath Village Square Saturdays May 7th & June 4th 9am - 2pm

The new church website is now up and running. Many thanks to Vivien, Daniel, Jenny, Margaret, Rosalyn and Fiona for tremendous hard work on this. Find us at <https://allsaintschurchkh.org/>
