There's More To Sarehole Mill Than You Think....

A talk at All Saints Church by Jim Andrew on Saturday March 9th at 3pm in the Church

Sarehole Mill is situated on the Ring Road between Kings Heath and Hall Green

A water mill is not just an interesting building, as above, but the centre piece of an industrial complex covering an area of about one mile by one and a half miles. This talk will detail the four lakes, several miles of feeders, to and from the mill, as well as the River Cole and its tributaries. Finally Jim Andrew will describe a walk round all these features and to show how much evidence of them remains in the landscape.

Tickets Just £5 (including tea, coffee and cake) available on the door or from the Parish Office, All Saints Community Cafe and the Church on Sunday Mornings
